

APTA EXPO

PUBLIC TRANSPORTATION'S
PREMIER SHOWCASE

CONNECT TO WHAT'S NEXT

As the world's premier public transportation showcase, American Public Transportation Association's (APTA) EXPO 2021 will attract the best and brightest in the industry. Only held once every three years the EXPO brings together what's now and next in the public transportation industry.

Safer. Faster. Smarter.

Public transit professionals will find everything they need to keep their organization efficient and forward thinking at EXPO 2021.

Education

Educational sessions to help you solve today's most challenging transportation issues.

Innovations

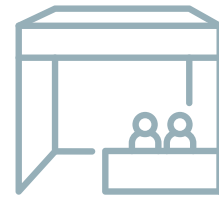

Opportunities to demo the latest public transit technologies, products, and services.

Networking

The breadth of attraction of this special event means meeting vendors, colleagues, and suppliers from around the world.

APTA EXPO by the Numbers

800+

global exhibitors will showcase the latest industry innovations and services.

10,000+

public transit professionals will attend EXPO 2021.

4/5

of EXPO 2017 attendees reported that EXPO was an extremely valuable experience.

\$0

Registration is free for the EXPO.
